

Venue Information

The conference venue is located at Invalidenstraße, 44.
The get-together will take place at the seat of the Land Rheinland-Pfalz in Berlin, "In den Ministergärten", 6

We do not recommend any particular Hotel. There are many hotels close to the conference venue (you may use the main station as centre point for your search). For a internet search you might use www.hrs.de (in 32 languages) or other sites.

We suggest visiting the historical sites of Berlin, although some of them will require you to adapt to their emotional significance. The Holocaust Memorial with its Field of Stelae is located next to the site of the get-together.
